

STATE OF MICHIGAN

SPECIAL TRIBUTE

ON BEHALF OF THE PEOPLE OF MICHIGAN
I, Rick Snyder, governor of Michigan, do hereby pay special tribute to

CITIZENS RESEARCH COUNCIL

LET IT BE KNOWN, That it is my distinct honor to recognize the Citizens Research Council on their 100th anniversary. Since their establishment in 1916, they have produced well-written, well-documented and objective analysis of state and local public policy issues including education, tax policy, health care, local government, transportation, and economic development. They have diligently provided this information to the public, the press corps, the legislature, and other policy makers, maintaining their level of accuracy and objectivity. These years have led them through a period of tremendous growth and expansion and I am grateful for their contributions. Their leadership and professionalism epitomize the values and qualities we admire in our great state of Michigan.

IN SPECIAL TRIBUTE, Therefore, on behalf of the people of Michigan, this document is signed and dedicated to the Citizens Research Council. I sincerely thank them for their tireless support and dedication to the communities and people of Michigan, and wish them continued success and prosperity in the years ahead.

A handwritten signature in blue ink that reads 'Rick Snyder'.
