Dear Mr. Donnelly and Mr. Gargaro,

On behalf of the Michigan Association of Counties, we congratulate the Citizens Research Council of Michigan on its 100th anniversary in 2016.

MAC has long been a proud supporter of CRC's work and an eager consumer of its independent, nonpartisan, high-quality research and analysis. Presentations made by CRC staff members are some of the best attended of our workshops at our conferences each year. The 622 county commissioners across Michigan know CRC's analysis will keep them briefed on immediate public issues, and on crises looming on the horizon.

We thank the council, its boards and its staff for its work for the last 100 years. MAC looks forward to partnering with the council for decades to come.

Sincerely,
